On May 6, 2011, defendant Fleurette Allen was released on a \$75,000 unsecured bond to reside in the halfway house while his case is pending. Mr. Allen has been compliant with his conditions of pretrial release for over one year now. He also has obtained and maintained full time employment. Given his compliance, he now requests that the Court remove the condition that he reside at the halfway house and impose a new condition stating that he shall reside with his mother in Oakland, CA, and that he shall be subject to location monitoring, with a curfew to be set by the pretrial services officer. He agrees that he shall contribute to the cost of location monitoring as directed by the pretrial services officer. All other conditions shall remain in place. Pretrial Services Officer Victoria Gibson is in agreement with the proposed modifications, and the government does not object to the proposed modifications.
